FORT LEWIS -ACQUILINE ISSUES_

- **Garrison activities paperless effective 1 Apr 00 (400 users). Tactical Units scheduled for Jul - Oct 00 timeframe.**
- **Small group training (3-5) more effective than large group.**
- **Eliminated the Suggested Vendor Source and POC screen. Information placed in the comment field.**
- **Fix the Budget tab, too many steps. Either direct insert of fund cite or bring up a template.**
- **Testing Remote Site - E-Mail notification function is not working when the users are not on the same E-mail server.**
- **Groups - V4.1c does not display the users in the group.**
- **Reports - Not able to get a listing of current users.**
